## New Record Attendance Expected

Weather Proves Perfect for Opening Today

Clear, balmy skies and a warm evening greeted preview visitors to the Riverside County Fair and National Date Festival last night in Indio.

Gates were officially opened this morning to start the fair's nine-day run, and Manager Robert Fullenwider said that more than 200,000 visitors are expected.

More than 400 exhibits are on the 40 acres of the grounds. Camel races are run daily during the Arabian Horse Show intermission, and on Feb. 24, Sunday, a Mexican Charreada will be held.

The famed Arabian Nights Pageant will be staged to fair visitors free at 6:45 p.m. nightly on the outdoor Arabian Stage. This year's presentation is completely new, titled "Ailan and the Princess," a spectacular fantasy of music, drama and dance. Produced by the people of the Coachella Valley, it includes a cast of 150, and costumes are valued at over \$10,000.

IN THE AFTERNOONS, band concerts will be presented at the stage, and when visitors will hear the Southern Pacific Band, Air Force Band, and other precision groups. Variety shows will be presented every afternoon, and include the Mandarins — a Chinese balancing team; Al Lyons, wizard of the electric accordion; BoBo, the funny clown of television fame, and Bill Dedricks' trick ponies and dogs, featuring Silver, the wonder horse. Amateur acts will be included.

The internationally famous dancing waters will be presented continuously from 10:30 a.m. to 10 p.m. daily.

Queen Scheherazade, Barbara Duer of Palm Springs, and her court of princesses, moved into their quarters at the fair grounds to reign for the nine days, and spent yesterday afternoon posing for thousands of publicity pictures. Fairgrounds gates open at 9:30 daily.

## Village Area Residents Enter Fair Divisions

Entries are up in all departments of the 1957 Riverside County Fair and National Date Festival, according to Bob Fullenwider, fair manager.

"The art department is more than doubled, floriculture and home economics are greatly increased, our date display area is larger and we have several new departments in this year's fair," Fullenwider reported.

MANY RESIDENTS of the Palm Springs area are among the hundreds of entrants.

Chester G. Moorten of Palm Springs, Bet Addington and Enola B. Hulbert, both of Desert Hot Springs, have entered exhibits in the floriculture department.

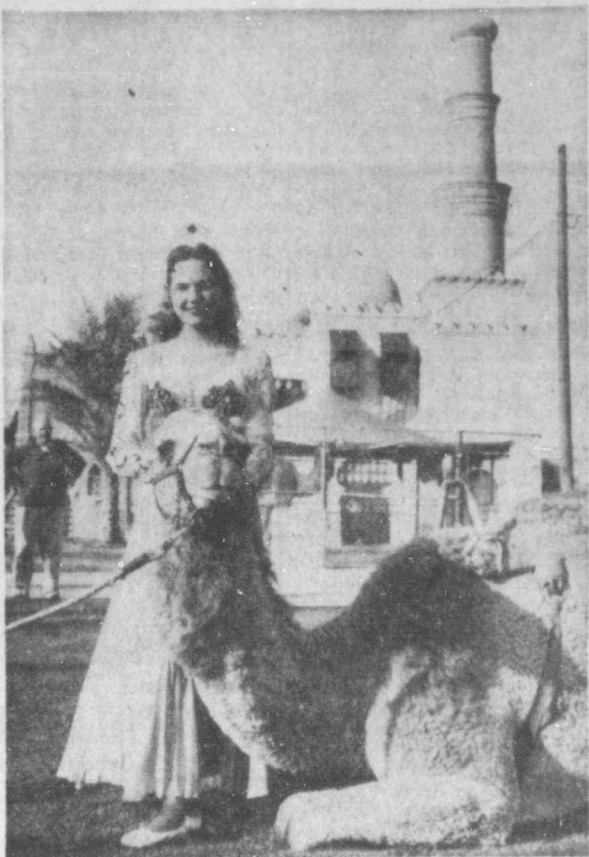

Artists who have entered Fair competition include: Jeanne Angino, Adele Joan Brott, Edward Canby, Mrs. E. M. Dering, S. Fleischman, Karen E. Huffman, Axel Linus, Mrs. E. J. Palo, Milton M. Portis, Esmeralda Reed, Lois Sakin, Bonnie Welch, R. Brownell McGrew and Sterling Moak, all of Palm Springs.

ARTISTS FROM Palm Desert are Lucile Bertrand, Elizabeth Johnson, Madeline Nielson and Farris Wheeler; from Cathedral City, Rosa B. Cassidy, Mrs. Bonnie Dreier, Jerry H. Dreier, Donald H. Frank, S. H. Gill, Jeanette G. Hardwick, Mrs. Mary T. Scott, Dr. Edmund H. Smith, Wilton McCoy, Agnes Pelton and Jim Walcott. From Desert Hot Springs are Fern A. Cramer, Enola B. Hulbert and Sophie B. Sturtevant.

Art department entrants from Rancho Mirage include Robert J. Stone and Mel Bearden.

RIDERS FROM Palm Springs who will participate in the National Horse Show, scheduled every afternoon except Sunday, Feb. 24 (day of the special Mexican Charreada program) are Mrs. Carol Brill, Mrs. J. H. Gilpin and Irene Cline. Nancy and Dick Winans, Jeanette and Peggy Gibson are entered from Palm Desert, and Charles Travis and Jack Kook, from Rancho Mirage.

Trent Barnes, Sheila Hovey, Susan Hinkle, Joy Rose, Sally, Sandra and Susan Fleet of Palm Springs, and Pamela Raphael of Rancho Mirage will ride in the Junior Horse Show, scheduled for morning performances the first weekend of the fair, Feb. 16 and 17.

PRINCESS MYRNA SCHISLER, one of the leading dancers in the Pageant at the Riverside County Fair and National Date Festival, poses with Nora, leading camel, of the fair. The outdoor Arabian Pageant is held nightly at 6:45, and during the afternoons band concerts are presented to fair visitors free of charge.

QUEEN SCHEHERAZADE, Palm Springs high school student Barbara Duer, poses on a throne of cushions, backed by the famous outdoor stage of the Arabian Pageant. The stage, designed by Desert Rat Harry Oliver, has become a trademark for the Coachella Valley date industry, producer of 90 per cent of the dates in the United States. The valley boasts an excess of 5,000 acres of date palms. Queen Scheherazade is reigning with her court over the nine day event.

PRINCESS DONNA ELLIS, of Banning, holds out a tray of dates, symbolizing the National Date Festival and Riverside County Fair now under way at Indio. Many communities of the county have exhibits at the fair, and all have entries in the parade February 22. (Desert Sun Photos).

### Queen, Duke Display Love, No Dissention

LISBON, Portugal (AP)—A radiant smiling Queen Elizabeth joined her husband for a "second honeymoon" here today after a four-month separation.

The Queen lightly stroked the Duke of Edinburgh's arm with her hand in an almost unprecedented public display of royal emotion.

THE COUPLE, after a two-minute private meeting inside the Queen's airplane, emerged under the watchful eyes of hundreds of spectators and more than 100 news cameramen whose long range lenses were focused for the slightest sign of affection, or lack of it.

The Queen and Duke whose long separation led to rumors of a rift, were almost visibly eager to push through the welcoming formalities and get away to the royal yacht, anchored 20 miles away, for their two-day private reunion.

The Queen flew from London in a turbo-prop airliner that landed at Montijo Airbase, just outside Lisbon.

## Egypt Said Heading for Major Political and Economic Crisis

LONDON (AP)—Egypt is heading for a major political and economic crisis which possibly could unseat President Gamal Abdel Nasser and replace him with another military dictator, qualified observers just back from the Middle East reported today.

The crisis is expected to reach its peak about May this year, they said.

THESE OBSERVERS say there is now more outspoken criticism of Nasser's regime in Cairo, among all classes of the population, than at any time since King Farouk was ousted in 1952.

They also said a number of army officers, including former National Guidance Minister Salah Salem, had been placed under ar-

rest, on suspicion of plotting an anti-Nasser coup.

DESPITE CAIRO denials that Salem was under arrest, the sources said that he was known to have been relieved of command of the Suez garrison shortly after the Anglo-French invasion last November because he redeployed his troops after the cease fire, and pointed them towards Cairo.

Most of the dissatisfaction "is centered on the economic situation which has deteriorated rapidly since the military intervention last November and the blocking of the Suez Canal.

EGYPTIAN EXPERTS estimate that the cost-of-living for the average consumer has risen from 5 to 10 per cent, while shortages of kerosene, fuel oil, pharmaceutical

### Selassie Asks Aid to Save Independence

NEW YORK (AP)—Emperor Haile Selassie of Ethiopia has accused Egypt of fomenting subversion in his country and appealed for about \$80 million from the United States to preserve Ethiopian independence, the New York Times reported today.

In a dispatch from Addis Ababa, the Ethiopian capital, Times correspondent Homer Bigart quoted the emperor as saying that Egyptian "President Gamal Abdel Nasser's government was trying to stir up the large Moslem minority in Ethiopia with a view to dismembering this Christian kingdom on the lofty strategic roof of East Africa."

In an interview with Bigart, Selassie said Egyptian propaganda had slackened since the Suez crisis, "but is still continuing."

The emperor said he had tried to impress upon U.S. Ambassador Joseph Simonson, Gen. George Joseph Becker, deputy commander of U.S. forces in Europe, and Lieutenant Gen. Clyde Eddleman, deputy chief of staff for operations of the U.S. Army, the urgency of obtaining more arms quickly.

Bigart reported there are indications that Ethiopia's priority rating is undergoing upward revision in Washington as a result of the Suez developments, although Selassie was unlikely to get jets as their operation from high altitude fields would be fantastically expensive.

### Accident Victim Remains in Coma

Still in a coma from head injuries received in a Wednesday night auto accident, Imperial Valley Assistant District Attorney Frank Travis remained on the Desert Hospital critical list today.

Hospital officials reported that Travis, 48, of El Centro, has not regained consciousness since his Thunderbird sports car overturned on Highway 99, two miles east of Garnet.

### U.S. Has Atomic Weapons In Europe, Ready for Use

WASHINGTON (AP)—An informed source said today that the United States has supplies of atomic weapons in Europe and has had for some time.

He indicated also that the number and variety of such weapons is increasing constantly.

IT HAS LONG been known that the United States is training its NATO allies in the use and effects of atomic weapons.

The British, for example, have a number of Corporal missiles capable of hurling a nuclear warhead nearly 70 miles.

U. S. officials from President Eisenhower down have said repeatedly that the West would resist an attack on Europe from the East with atomic weapons.

THE WEAPONS are in Europe—more than 30 11-inch atomic cannons in Germany alone, and considerable numbers of pilotless Matadors, Corporals, Honest John rockets, not to mention fighter planes and bombers capable of delivering nuclear bombs of many different sizes.

The atomic warheads for these various delivery systems also are in Europe, the informed source said, "unless we're kidding." He added, "we're not."

GEN. LAURIS Norstad, supreme allied commander in Europe, has said NATO will reply to any attack with atomic weapons. His predecessor, Gen. Alfred M. Gruenther, repeatedly said the same thing.

All U. S. atomic warheads assigned to NATO are in the custody of U. S. military units.

Special U. S. "atomic support commands" are being increased in number for the specific purposes of working with allied NATO units.

The prototype of these commands is stationed near Leghorn in northern Italy.

From Burbank to Palm Springs—and points in between.

Flying saucer reports in Burbank on Wednesday evening today brought forth a similar sighting in the Village, by Lynn Cohan of Deep Well Health Club.

It was the same night, and about 20 minutes to nine when the "round disc with the brightest light I've ever seen" was sighted in the desert sky traveling toward Indio.

The light only appeared about a minute, first zooming through the air, then stopping, and then completely disappearing. There was no sound connected with the object, thereby eliminating the possibility of a plane, Miss Cohan said.

In fact, she wasn't going to say anything about it, until the same object had been seen in Burbank.

### Dulles, Ike, Lodge Talks Held Today

THOMASVILLE, Ga., (AP)—Secretary of State John Foster Dulles said today after a talk with President Eisenhower that the United States may take "further action" through the United Nations to have Israeli troops withdraw from Egypt.

Dulles, after a two hours meeting this morning with the President and Henry Cabot Lodge, Jr., the U.S. ambassador to the United Nations, flew back to Washington to arrange a meeting as soon as practicable with Abba Eban, the Israeli ambassador to the United States.

THE PRESIDENT had nothing to say on the morning conference, but Dulles issued a statement in which he said he and the Chief Executive wanted more clarifying details from the Israeli government on its announced willingness to withdraw from some of the non-Israeli territory.

Eban said in Washington Friday night that his government wanted additional clarification of the position of the United States.

DULLES SAID the President again expressed today his "sense of urgency for final congressional action" on his "doctrine" for the Middle East, "particularly in view of the recent propaganda by the Soviet Union against the President's Middle East program."

"In view of the probability of further action in the United Nations in relation to this matter, Ambassador Henry Cabot Lodge, Jr., participated in this phase of our discussions."

## Crime Report in January Shows Healthy Improvement

Crime analysis report for the month of January shows a "healthy improvement, crimewise, over the same month in 1956," Police Chief August G. Kettmann, said today.

Decreases were noted in nearly every category, and most notable was a 25 per cent decrease in automobile accidents.

"The improvement in traffic was noteworthy," added Kettmann, as "no serious accidents were reported and traffic citations dropped from 383 in 1956 to 229 during January of this year. There was

no decrease in the number of stops and citations given, but traffic officers report that they are finding fewer violators — at least when patrolling the streets."

No robberies were reported and burglaries dropped from ten to five. The report showed that thefts of over \$50 decreased from 19 last year to six during 1957, while thefts under this figure dropped from 21 to 16. A total of \$3,091 was reported stolen, and of this amount \$1,594 has been recovered in money and property.

**THE REPORT SHOWS** an increase in auto thefts, with four reported against only one in 1956, and drunk driving arrests were also up from three to five.

A total of 14 prisoners were booked into the local jail for the county, and their total time in jail added up to one day. There were seven juveniles arrested during the month.

Two appointments of police officers were made in January, with the city hiring Richard Larson and Carroll Vogelaar. The department accepted the resignation of Charles Beason.

### George Liberace Gets Violin Back, Police Report

CHICAGO (AP)—George Liberace's violin has been returned to its owner's fond clasp.

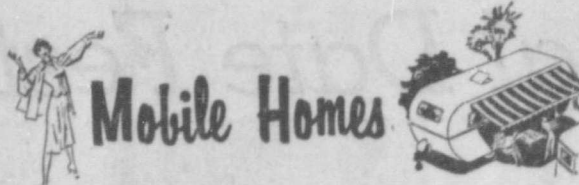

The Federal Bureau of Investigation called a special news conference Friday night to tell the world the stolen instrument had been recovered by accident.

Officials said the \$25,000 fiddle was recovered while they were out sleuthing on a "tip" about another case. The agents maintained an aura of secrecy about the recovery, however, refusing to answer any questions about the tip, the other case, or where the violin was found.

The expensive violin was stolen from its owner last Monday as George was leaving a night club where he and his brother, television pianist Liberace, were playing.

George, who said the instrument appeared to be unharmed, zipped through an impromptu concert for newsmen.

## Winter Returns to Midwest, Snow, Below Zero Reported

By UNITED PRESS

A fresh front of Canadian-style cold air advanced across the nation today, covering most of the country from the Great Lakes west to the Pacific Coast.

The cold air, which brought night-time temperatures down around five degrees above zero along the northern border of the nation, stretched its frosty fingers as far south as Texas.

**THE WINTINESS** also kicked out a warm air mass that had been loitering over the Great Lakes. Before the cold front arrived Friday night, mercury readings had lounged about 25 degrees

higher than on the previous day. Night-time rainfall soaked an almost continuous stretch of land from the Great Lakes eastward through the Ohio Valley and into the southern Atlantic coastal states and along the gulf.

**FRIDAY SAW** a large quantity snow fall on Michigan. The lower part was pasted with up to six inches.

Elsewhere over the nation, there was little change in the weather conditions today. Light snow flurried over the central Atlantic states and parts of New York, and drizzle continued in the southern Atlantic states.

Local police today are looking for a man who identified himself as Guy F. Atkinson of San Francisco, who allegedly left a hotel without paying his bill.

A subsequent check brought information from Los Angeles Police department that identification papers belonging to Guy F. Atkinson of that city were stolen. Among the items in the wallet were credit cards for American

Air Lines, TWA, and the Statler Hotel, a California driver's license and approximately \$150 in cash.

**THE SUSPECT** stayed at the hotel as Guy F. Atkinson of San Francisco, and ran up a bill of about \$200 and, according to Lt. Robert White of the local department, he also ran up a bill for \$300 in clothing from Roberts Ltd.

The bill from the clothing store was paid by the hotel and added to the hotel bill.

**POLICE SAID** that the real Atkinson, 82 years old, was victimized at a Los Angeles hotel health club of his wallet.

Police have alerted the California Highway Patrol to be on the lookout for a male adult, 35 years old, 235 pounds, dark complexion, driving a 1953 Buick convertible, dark green with black top, Florida license 13 W 872, and registered to Guy F. Atkinson from San Francisco, California.

Daniels, a close friend of the Arnolds, had slipped into Howard Manor's kitchen without being seen, donned an apron and carried in the Arnolds' cake. They are shown above about to cut it after the presentation, which was followed in turn

by an impromptu singing session by Daniels that brought Billy a standing ovation from the capacity throng. It was an anniversary celebration that the Arnolds and those who crammed their way into the Manor Room will never forget. By the way, the miniature piano atop the cake had just 11 keys, one for each year of the Arnolds' wedded life. Murray dubbed it "11 Keys to Happiness." (Gayle Studio Photo).

## State Budget 'Out of Balance'

**SACRAMENTO** — The record 1957-58 state budget is \$70.5 million out of balance, A. Alan Post, fi-

nanacial advisor to the Legislature, said today.

But the state still is on sound footing and no new taxes will be required, Post said.

He made the statements in his annual "Analysis of the Budget Bill," a 1,053-page tome giving his recommendations to the Legislature on Gov. Goodwin J. Knight's proposed budget, at \$1.948 billion the largest in state history.

Post's analysis showed a minimum of red penciling on Knight's proposal. He recommended mild budget cuts totaling \$12.6 million.

The Assembly Ways and Means Committee, financial body of the lower house, will begin hearings on the budget next Monday. The Senate Finance Committee will begin its hearings through the mammoth spending program the following week.

## Local Airport Qualifies for New Transports

Thanks to its 7,000-foot runway, Palm Springs airport is one of comparatively few in the United States able to provide landing space for the new Convair 880 four-engine jet transport.

Results of a survey by Convair's San Diego division showed that 151 municipal runways are of adequate length for Convair 880 operations. Only 27 of these are located in the nation's 40 largest metropolitan areas.

The length of the Palm Springs runway means that passengers loading here could fly as much as 2,760 non-stop miles without restricting the payload of the "world's fastest jet transport," Convair reported.

The 600-mile-an-hour giants will sweep through the nation's air lanes by late 1959.

## Two Communion Services Set At St. Paul's

A celebration of the Holy Communion will take place at the 9:15 family service as well as at the 8 a.m. service at St. Paul's Episcopal Church tomorrow morning.

Following this service, classes for all ages of the church school will meet.

The rector will preach at the 11 a.m. service, which will be morning prayer. The season of "Pre-Lent" begins tomorrow, to continue for three Sundays.

"During this season of the church's year, the emphasis is that of Christian Spiritual Warfare," explained the rector, Father William A. Blondon.

Tomorrow evening, the high school young people will meet at the church, to go on from there to a barbecue and program at the home of one of the members.

This evening, Saturday, the Junior high school group will meet in the parish hall at 7:30 p.m.

## Sermon on 'Soul' Scheduled in Science Church

"Unto thee, O Lord, do lift up my soul . . . Shew me thy ways, O Lord; teach me thy paths," sang the Psalmist in the Golden Text of the Lesson-Sermon in all Christian Science church services Sunday (Psalms 25:1,4).

The subject of the Lesson-Sermon is "Soul," a word which, when capitalized, is used in Christian Science as one of the synonyms for God.

Scriptural selections will include the following from Matthew (15:30): "And great multitudes came unto him, having with them those that were lame, blind, dumb, maimed, and many others, and cast them down at Jesus' feet; and he healed them."

Mary Baker Eddy says in "Science and Health with Key to the Scriptures": "Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation" (p. 210).

## Buick Ranks 3rd In Nation by Registrations

Buick, for the third successive year, is in the number three automotive sales position nationally on the basis of 1956 registrations.

Edward T. Ragsdale, general manager of Buick and vice president of General Motors, announced today.

Official figures for the industry showed Buick with 529,371 cars registered during the year in the 48 states.

"This total gives us a margin of more than 45,000 cars over the fourth place make last year," Ragsdale said. "In the three years which we have held third place we have out-registered the competition by 268,274 cars."

The 8.9 per cent of market penetration was the third highest in Buick history, Ragsdale said.

Buick production for 1956, including export, totalled 535,364 cars.

The National Gallery of Art in Washington, D. C., is the largest completely air-conditioned art museum in the world. The controlled atmosphere has greatly increased the life expectancy of its art treasures.

## Stassen Quiet On Future Plans

LINCOLN, Neb. (AP) — Harold E. Stassen, still shunning any mention of political plans, told Nebraska lawmakers today that he is optimistic about chances of averting future wars.

Stassen, here to address a state youth conference, made a brief appearance before the Legislature, and held a news conference.

He repeated that he has declared "a moratorium on political speculation at this time."

## 'Peace of Mind' To Be Sermon Topic Sunday

The subject to be discussed in the Palm Springs Religious Science Church next Sunday morning is "True Peace of Mind, How You Can Achieve It."

"Peace is the power at the heart of God. It is through the revelation of the self to the self that one understands that he approaches the power which is at the heart of God. This comes through a recognition of the unity of the individual with the Spirit back of, in, and through all," writes Ernest Holmes in the text book, Science of Mind.

Believing that World Peace is the personal responsibility of each one of us, Dr. Irma Glen, minister of the church, is distributing copies of the song, "Let There Be Peace on Earth," to everyone attending the Sunday morning service.

The song was introduced by a group of teenagers sponsored by the National Conference of Christians and Jews, who felt that singing the song together was a constructive step towards bringing about that most precious thing in the world, peace.

The composition will be a part of the period of inspirational organ music which precedes the service held at El Paseo Theatre at 10:45 a.m. Sunday. Everyone is invited to attend.

## Adult, Children's Sermon Set at First Baptist

"He Didn't Take It With Him" will be the sermon topic at the First Baptist Church in Thermal Sunday at the 11 a.m. Worship, with the Rev. Richard A. Uzzel, minister, speaking.

His children's sermon will be "Changing Signs." The Church Choir will render the anthem, "Seek Ye The Lord." Don Wire will render a vocal solo, "I'd Rather Have Jesus." A nursery is available during the worship hour.

"Christian Penitence" will be the sermon topic for the 7:30 p.m. evening service. This is a continuing study of the book of Leviticus. The minister will also show colored slide pictures of last summer's trip to the American Baptist convention.

## Guest Speaker Set at Church

## 'Christ, Our Fears,' Named As Community Sermon Topic

"Christ and Our Fears" will be the subject of the sermon at the duplicate morning services Sunday in the Community Church of Palm Springs.

Dr. James H. Blackstone Jr., pastor, is preaching a series of messages on "Christ Our Savior, Teacher and Lord." In the series he will discuss the way in which Christ dealt with many of life's problems and also His teaching concerning some of the great questions that are in men's minds.

Friends are encouraged to attend the 9:30 service since the 11 o'clock hour has been overcrowded. Edward Lyman, tenor soloist, will bring a special number at both services.

SUNDAY SCHOOL is held at 9:30 with classes of instruction for all age groups, including an Adult Bible Class which meets at the Woman's Club House. Children in the younger departments also meet for a second session at 11 o'clock.

In the evening service the Junior High department choir under the direction of Hugh Givens, teacher in the Palm Springs Junior High School, will sing two anthems. Dr. Blackstone will preach on one of the great King of Israel "King Hezekiah."

THE JUNIOR HIGH Christian Endeavor meeting is held at the Youth Chapel with Dr. and Mrs. W. W. Catherwood sponsoring their activity. James McManus leads.

Many of the members who attended the February meeting of the Chamber at Desert Air Hotel remarked favorably upon the growth of the organization and upon the fact that Rancho Mirage had, as a result, been able to be represented at the Telephone Company hearings and the Advisory Planning Commission meetings.

"A large membership in our Chamber of Commerce will afford us both the financial and manpower strength that we need now for the publicizing and beautification of our fast-growing community," stated Ralph Dietz, president, in urging residents to join the chamber.

## Emmy Nominees Telecast To Feature Entertainment

By ALLIE MOSBY  
United Press Hollywood Writer  
HOLLYWOOD — Nominations for the most confused election in history will be televised this evening and the producers of the show are placidly expecting "screams" and complaints.

For the first time, the Academy of Television Arts and Sciences will televise its Emmy nominees because NBC feels armchair critics are anxious to compare their lists of favorites with those of the industry voters.

But this will be one awards show on which the nominations will be sandwiched between entertainment instead of vice versa.

Only the 10 "personality" nominees out of 25 categories will be announced on the program. The other nominees will have to wait and read about themselves in the newspapers.

ALADDIN'S BALL at Shadow Mountain Club on Valentine's night, was a glittering affair, with a goodly number of the 700 guests in colorful costumes as a pre-Indio Date Festival celebration. Pictured are, left to right, seated, Mrs. and Supervisor Paul Anderson, Mrs. George Berkey, Lucile Carns of the Indio Chamber of Commerce, Supervisor George Berkey, Mrs. Robert Fullenwider, R. B. ## Around Town

with Hildy Crawford

Red and white balloons dangled from the ceiling ... and heart-shaped mobiles and cutout Cupids and hearts decorated El Mirador Room and the Garden Room Thursday night ... for the big Valentine dinner dance ... which was a benefit for St. Theresa Catholic Church ... The hotel was filled for the festive affair ... and the crowd viewed a lengthy program of stellar entertainment ... auctions and Dutch auctions ... and the awarding of door prizes ... dined on stuffed Cornish game hen ... and danced ... It was a festive evening ... with the spirit of loving giving ... added to the more saccharin "I-Love-You" spirit of Valentine's Day ...

Phil Harris did a masterly job of emceeing the show ... and it was a difficult one because of the big crowd and the serving of dinner while the show was in progress ... Everyone was touched when Phil told about his mother's recent operation for cataracts ... and expressed his deep appreciation for its successful outcome ... and for the faith which had seen him through a trying time ... It was this spirit ... of helping the church ... which is such a tower of strength in time of need ... that inspired the many entertainers who gave of their time and talent ... to make the show a success ...

Phil Regan sang his wonderful Irish songs ... Lovely Alice Faye, in a Valentine-red gown, yielded to demand ... and did a dance ... As she danced off the floor, husband Phil said "Thank you, Gilda Gray" ... Ginny Simms sang "Comic Valentine" ... and Murray Arnold from Howard Manor pleased the audience with his singing and playing ... Desi Arnaz sang and cracked jokes in his lovable Cuban accent ... and he and Frank Bogert assisted with the auctioneering ... with Elsinore Machris, Clark Swanson, E. Roy Fitzgerald ... Andrea Leeds Howard, Ralph Singer, Harold Hicks ... Mrs. Stewart Hopps, Ernie Young and Howard Morris among the spirited bidders ...

The three headliners from the Chi Chi show, June Havoc, Buddy Lester and Johnny Bach entertained ... Jacques Foti, from the Desert Inn, played and sang ... and Ukie Sherrin of Zanvilles did a walk-on appearance ... Robert Cosgrove, El Mirador doorman, did an Elvis Presley bit ... and Phil Harris wound up the show around midnight with some of the songs for which he is famous ... including the "Preacher and the Grizzly Bear" ... and "That's What I Like About the South" ... Mrs. Austin McManus was hostess at a charming dinner party at the Tennis Club on Wednesday evening ... when she entertained Dr. and Mrs. Norman Peale of New York City ... his brother Dr. Robert Peale also of New York and Rev. Robert Peale Jr. of Phoenix ... Mrs. Belmont Sanchez, Miss Joan Kester, who is wintering here from Saddle River,

New Jersey ... and Mr. and Mrs. Oliver Jaynes ...

On Friday the Peales were luncheon guests at the Floyd Odum ranch ... and that evening were dinner guests of Lucille Ball and Desi Arnaz at their Thunderbird home ...

Leachcomber dining Thursday night ... were Lily Pons and her houseguests Mr. and Mrs. Morris Cafritz from Washington D.C. ... along with Bill Bogges and the George Barretts ... They say that the Washington social scene is very quiet ... with Mrs. Cafritz being in California (she's the current No. 1 hostess) ... and that no one owns more Washington real estate than Mr. Cafritz ... unless it's the United States government!

A four-foot long arrangement of blue iris decorated the table Thursday ... when Emma Gale entertained at a champagne luncheon honoring her niece and houseguest Iris Robertson ... who is visiting here from Dallas ...

Among the guests was Jo King sley of London, England ... who with her husband Shirley ... was here to visit Kay and Dolph Oberfel ... The Londoners have been visiting the British Embassies in Nassau, Jamaica and Mexico City ... and enjoyed seeing the Thunderbird course ... where the Ryder Cup matches were played ... as the one before that had been at their home Club ... The Kingsleys were leaving the next day ...

Flo Brunmark had a guest with her, Ethel Smith of Los Angeles ... and Emily DeWare had her niece Eloine Sinclair ... B. J. Sanchez and her mother Bettina Roth (loved Bettina's story of how she almost drew a parking ticket ... for stopping to listen to my broadcast) ... Mickey Wheeler, Ruby Fallgren, Pearl McManus ... Velma Dawson, Phyllis Froggatt, Gertrude Sayre ... Win Becker, Beverly Taylor, Margaret Manasse, Beth Scott ...

Kay Oberfel was telling us ... that she and Dolph sail March 15 ... for Panama where they'll visit Ambassador Julian F. Harrington for a week ... before flying to Montego Bay ... Kay said they were going to Montego Bay to swim ... returning by way of New Orleans, to eat ... and then back to Palm Springs ... to live ... Nellis and Al Hunt just may join the Oberfels in Montego Bay ... Mr. and Mrs. George A. Govier of Vancouver, B.C. are arriving Monday to spend a week with Mickey and George Wheeler ... Mrs. Govier is George's sister ...

Shades of things to come ... Dorothy and Dan D. slap have sent out invitations ... for a Sunday brunch at their Thermal Ranch home ... for March 10 ... Maggie and Co Thornton are hosting a Washington's Birthday cocktail party ... at their Camino Norte home ... The Randolph Cristies' costume party is in South Pacific Room February 23 ... Dorothy and Sam Salinger take over the Starlight Patio at El Mirador for their party on the evening of February 24 ...

Babe Churchill postcards greetings from Mexico ... where she's been with the Eric Barclays ...

IT WAS A DEMAND PERFORMANCE when lovely Alice Faye danced at the Valentine Dinner Dance at El Mirador Thursday night. Here husband Phil Harris, on right, who was master of ceremonies, and Phil Regan, who sang some of his famous Irish melodies, insist that Alice take part in the program. She did and was applauded enthusiastically by the audience that filled El Mirador Room and Garden Room. (Desert Sun Photo).

VALENTINE'S NIGHT found Mr. and Mrs. J. H. Bligh celebrating their 35th wedding anniversary as they hosted a cocktail and dinner party at the Tennis Club. (Desert Sun Photo).

## Impressario of "Dancing Waters" Visits Village

Mr. and Mrs. Jerry Bunker of 840 North Indian Avenue, owners of The Monterey apartments have with them Hans Hasslach from New York whose fabulous "Dancing Waters" are showing at the Indio Fair ... Mrs. Bunker's parents Mr. and Mrs. John M. Miller, (he is an executive with U.S. Rubber Company in New York) are expected soon to spend some time with them.

She mentioned having fun in Guadalupe and the card came from Mazatlan ...

Gwen Bari opened the new Piano Bar at the Moulin Rouge ... on Valentine's Day ... So do look her up and give her greetings from Palm Springs ... when you are in the Big Town ...

The Carl Betchers, of Red Wing, Minnesota ... who are wintering at the Town House ... are here for their 12th season ... They brought their pet parakeet Pancho with them for his fifth season ... Pancho is a great Village booster ... He actually talks ... and when he was asked en route where he was going ... He'd invariably reply ... "Palm Springs, California" ...

## THIS SIDE of The Sun By Phat

Oh, what a beautiful morning.  
The dawn's a joyous thing,  
Although it's only Two-Sixteen  
It might as well be Spring.

(EDITORIAL NOTE—The Desert Sun will not be responsible for any change in the weather between the time this is being written, Thursday morning, and the time it is being read, (I hope) Saturday afternoon.

HARRY OLIVER, star of Radio KDES and the Desert Rat Scrap Book, was enthused, too, about this week's weather. He was in Wednesday to tell me that his pet tortoise, Pushawadda I think the name is, came out the day before, on Lincoln's Birthday. "Earliest he's quit hibernating as long as I can remember," said Harry. "Perhaps, he is a Civil War veteran and came out in honor of Lincoln."

Also noted that those cafes which have outside tables were serving people there evenings this week.

One proprietor said it was the earliest outdoor dining since 1946.

THET POME with Al LeAnce rote for me thru other da ma becum comon sun. A brite California congressmnn sed thu other da thet he wud vere sun into dus a bill tu revolutionise thu spelung uv-thu English langwidge. Then we'l al be tawkin like Al's "derdego."

The congressman is Harlan Hagen, Democrat, from the central part of the state. His bill, "a tentative draft of which has been finished" was prompted by another California, Homer W. Wood of the Porterville Recorder.

HAGEN'S MEASURE would authorize a commission to reform the spelling of English words and to publish an official United States dictionary to be used by all governmental agencies. He wants to streamline the spelling books.

Wood has not yet submitted a complete revision of the dictionary, or dikhunare, but touted such changes as slu for slough, biznes for business, loj for lodge, rech for wretch, catastrofe for catastrophe, qic for quick and canu for canoe.

PERSONALLY I can see trouble in that plan. Hagen says that his bill would not make the new spelling mandatory. Think of the confusion when a devotee of the new system met a staunch standard speller in a scrabble game! What a fight!

Oh, yes, almost forgot to mention that poem which former postmaster, Ryland M. (Pop) Gorman sent me. It was good, all right. Pop. Just the right length but the text was of a quality which would disqualify it from traversing the United States mails.

BOB KERLEY, who takes care of the refreshment counter at the Town and Country suffered a slight mishap the other day and while he was seeing a doctor about it, Mrs. Oscar Gilbert, wife of the proprietor, pitched right in to take over.

She didn't last too long, however, for Oscar overheard some patrons remark as they left: "My, those were the most authoritative Martinis I ever had." Could visualize profits on the wing.

## Cal Hangs On To Slim Lead In PCC Race

Bruins and Huskies Yapping on Heels of Foxy Bear Five

By NEAL CORBETT  
United Press Sports Writer

The foxy University of California basketball team is still scampering unmoled through the Pacific Coast Conference, but a pair of bound dogs from UCLA and Washington is still yapping right on its heels.

Friday night the undefeated Bears won their ninth straight conference victory by swamping Idaho, 91-54, while UCLA trimmed Stanford, 86-63 and Washington downed Oregon, 84-62. Southern California defeated Washington State, 73-68, in a private skirmish far back in the pack.

THE SAME TEAMS meet again tonight, with the standings as follows: California 9-0, UCLA 8-1, Washington 9-2, Southern California 4-3, Stanford 6-5, Washington State 3-8, Oregon State 2-8, Idaho 2-9, and Oregon 1-9.

In California Basketball Association play, the University of San Francisco continued its domination, but the Dons faced the prospect of a possible showdown with roused St. Mary's.

While USF was trimming College of Pacific, 67-56, the Gaels were upsetting Santa Clara, 76-64. In other games, San Jose State defeated Loyola, 79-64, and Fresno State outscored Pepperdine, 101-91. Tonight USF plays Fresno State, Loyola is at Santa Clara, Pepperdine visits COP, and St. Mary's meets Sacramento State in a non-conference game.

The CBA standings: USF 8-1, St. Mary's 7-2, Santa Clara 5-3, San Jose State 7-4, Loyola 3-5, Fresno State 3-5, COP 3-6, and Pepperdine 0-8.

THE CALIFORNIA BEARS apparently had no intention of making any mistakes against Idaho. The conference leaders roared to a 45-29 halftime lead and then romped on in their best offensive showing of the year.

Forward Larry Friend hit 20 points to become the fifth highest scorer in Cal's history, while Gary Simmons had 16 for the losers.

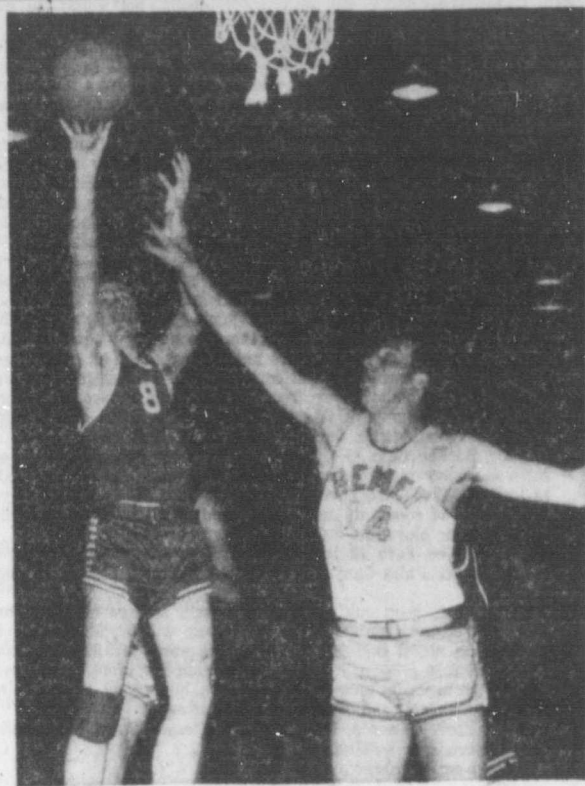

UCLA had to depend on a determined second half attack. The Bruins were trailing Stanford, 39-38 at halftime, but overtook the tiring Indians and won going away with substitutes.

Stanford's Bill Bond led the scorers with 23 points, and Ben Rogers had 22 for the Bruins.

Washington breezed to its victory over cellar-dwelling Oregon, as the Bruins hit 457 of its shots from the field to 196 for the Vandals. Doug Smart poured through 20 points for the winners.

The Southern California-Washington State battle was a see-saw affair. WSC once led by 11 points, however, the halftime showed a 36-36 tie. Both teams fought to the front, but the Trojans finally got there to stay.

## TODAY'S SPORTS PARADE

By JACK CUDDY  
United Press Sports Writer  
Reg. U.S. Pat. Off.

NEW YORK — Fearless Fray's facts and figures:

The scufflebutt along the boxing boulevards is that Carmen Basilio still is nursing a sore hand but it hasn't affected the odds for his welterweight title defense against Johnny Saxton at Cleveland next Friday night.

Basilio, the erstwhile onion farmer from Chittenango, N. Y., is 2 to 1 to chop Saxton down again, just as he did in September when he regained the crown. And the price should be better than that this time.

Birdie Tebbetts, manager of the Cincinnati Redlegs, claims that his Roy McMillan is the best shortstop in baseball.

"WHEN I WAS in the other league, I had to rate Phil Rizzuto as the best," Birdie says. "But McMillan is better. Phil was the greatest coming in on a slow ball but McMillan has greater range and a better arm." Which will take a lot of selling in the American League.

Seattle, first team to accept a bid to the NIT basketball tournament, is beating the All-America guns for 6-foot, 6-inch, 225-pound

Elgin Rabbit Baylor. There's support from Al Lightner, veteran Pacific Coast referee, too, because without a blush he calls Baylor "the best player I've ever seen." Proving to some that, as suspected, all referees are blind.

FRANKIE FRISH scorns spring training as a "plush country club" but it is a practice which started long before he was born. Before the birth of the major leagues, the Chicago White Stockings of the National Association went to New Orleans for training in 1870. They were in such advanced shape when the season opened that the other association teams adopted the practice.

Oklahoma A&M attracted Adnan Kaisy, 20-year-old 225-pound Iranian from Baghdad, as a student because of the fame of its wrestling teams. He received a stormy letter from his father, a Moslem preacher, when he cut off his flowing locks and shaved his moustache. Kaisy is studying air conditioning, which he figures will be in big demand in Iraq. But if not, he can always grow back the long hair and moustache and be a pro-rasser.

## Compromise in Louis Case Near

CHICAGO — Former heavyweight boxing champ Joe Louis and the U. S. Revenue Dept. appeared ready today for another round in their non-title bout for Joe's money.

The tax office wants \$1,250,000 which it claims Louis owes in back taxes and penalties. Louis says he simply does not, and never will, have that kind of money.

Latest development in the struggle was an offer made by the Joe Louis Fund Friday to give the federal government all but \$25,000 of Louis' earnings for the next five years in settlement of the debt. According to the agreement, Louis would be allowed to keep \$5,000 a year to support his two children.

"We are not interested in putting Louis in the poorhouse," House Appropriations member Alfred D. Sieminski (D-N.J.) said. "We want to see him have a chance to make a living for the rest of his life and we want to get as much money in the process for the government as we reasonably can."

## Eaton Hearing Recessed Today

LOS ANGELES — A state Athletic Commission hearing into charges that Olympic Auditorium promoter Cal Eaton failed to pay fighters the contracted amounts of their purses was scheduled to be recessed at noon today and continued at a later date.

John J. Doyle who identified himself as a former partner of Eaton in boxing and wrestling, told the commission Friday that they were aware the combine they operated violated state regulations.

Doyle named the late Hugh Nichols and Mike Hirsch as other members of the syndicate that he claimed exercised a monopoly in Southern California. He said the partnership broke up over a "conflict of interests" after the four of them formed a half-dozen corporations to cover almost every field of activity in the fight and wrestling field.

He said that the partners shared profits at the gate, split purses and shared in television receipts from boxing and wrestling. When asked if he knew their methods were illegal, Doyle replied, "Yes, but we decided to keep it quiet."

## FISK RESIGNS JOB

Coach Al Kazmier admitted that last night's game Hemet was the closest that he had ever come to a heart attack at a basketball game. After the contest he said that the only thing that would really settle him would have been "about four good quarts of milk."

Kazmier was justified in his thinking, for the Indians eked out their closest win in the entire season 62 to 61. They edged out the Bulldogs of Hemet in a contest that started out to be a complete landslide for the Warriors.

CURTIS ROBERTS is the boy to be lauded for the Redman win. In the first quarter Roberts piled up 10 digits on merely stealing the sphere and outcharging the dazed Hemet guard to the bucket. He later proved his worth by keeping a cool head under the severest of conditions. Curtis ended the evening with high-point honors for the game with 19 tallies. One can't leave out the Indians' constant point-getter, John Warren. Warren fouled out with three minutes remaining in the contest but managed to mesh a solid 16 counters.

The Injuns big Bob Jackson was the first to cut the ice in the scoring column. He later finished with 12. Hemet's unorthodox style of starting their second string hurt them considerably. The Locals were quick to take advantage of the situation and had the Bulldogs reeling behind an 11-0 tally. The game was very progressive until the second half. The half time score showed the Redmen live on top with 43-31.

THE THIRD QUARTER was highlighted by quick tempers and three technical fouls. Nevertheless the Braves still remained out front by a slim 50-46 tally. Then the Warriors blew. Three of the starting five were benched with five fouls apiece and with 20 seconds left to play and the scoreboard reading 60-61 Hemet's advantage, Sam "The Shot" Jones came through with one of those shots. He sank a brilliant jump shot and the score jumped to 62-61.

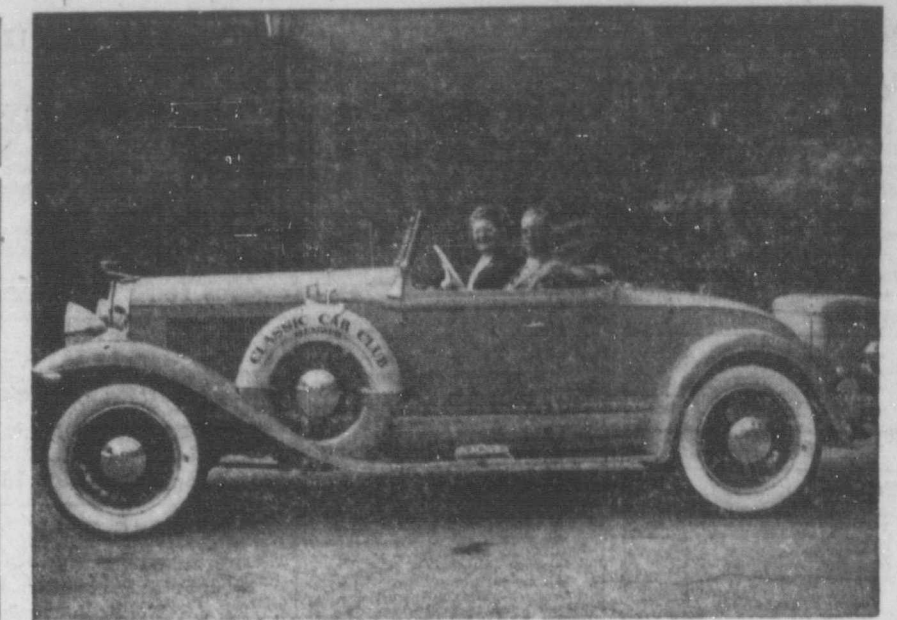

Jim Higgins was fouled by an Injun and he stepped to the free throw line and missed. The hopes of the Hemet stands fell and so did the final buzzer. The Injuns were swarmed by the 20 fans that were on hand and a happy bunch of hoopers went home.

In the Bee game, Hemet outlasted a Papooses threat in the third canto and the locals lost a good game at 50-45. Stan Cerata was high man for the little Injuns with 16 digits.

## Williams Subs Again

HOLLYWOOD. — Al Tiger Williams, 22-year-old Los Angeles middleweight, plays the familiar role of a substitute when he takes on Eddie Smith, of Chicago, in tonight's 10-round main event at Hollywood Legion Stadium.

YESTERYEAR'S automobiles, all still performing smoothly, will be seen in Palm Springs this Sunday when the Classic Car Club, proudful owners of cars a quarter century or more old, will make the Village the goal of a tour. Above is a 1931

Studebaker President owned by Carson G. Bell of Pasadena. Its a Desert Tan job with red wheels and has been in almost daily use for 25 years. Many other old-time models will be in the tour.

## Classic Car Club To Visit Village On Sunday Tour

Palm Springs will be given a taste of the roaring twenties when a caravan of the Classic Car Club of Southern California arrives on Sunday, February 17th.

The tour will have its beginnings in Los Angeles. At approximately 12:30 P. M. it will arrive at Palm Spring's city limits and parade from there to the Palm Springs Biltmore Hotel under police escort.

The Classic Car Club is an organization dedicated to collecting and restoring distinctive cars of unusual quality manufactured between 1925 and 1942.

The cars will be on display in the Biltmore parking lot during the early afternoon.

## Three Fights, Shot at Title, Webb's Slate

NEW YORK — "Three more fights and then a shot at the title," was today's schedule for Spider Webb, Chicago's spring-steel middleweight contender who Friday night gave Neal Rivers a bloody, lopsided licking for his 18th straight victory.

Increasingly confident after his impressive Madison Square Garden debut, the lanky Spider said, "My next bout will be at Chicago Stadium, March 13, probably against Joey Giardello. And after that we want Tiger Jones, then Charley Humer of France — to clinch the title shot."

Fourth-ranked Webb, weighing 158 pounds to 157 for Rivers of Las Vegas, Nev., had the game Far-Westerner bleeding from both brows and from the mouth and nose. And eighth-ranked Rivers was so groggy and exhausted in the final round that he fell down, without being hit, for a count of nine. Referee Harry Kessler ruled it a "knockdown," apparently to give Rivers a respite — instead of stopping the bout, as many of the 2,500 fans were urging.

## Yanks, White Sox Each Land Three Star Prospects

CHICAGO — The world champion New York Yankees and the Chicago White Sox each landed three prospects among the eight listed as most likely to succeed in the 21st annual edition of the American League Red Book, in the mails today to press, radio and TV writers.

The book included one new section, listing eight players not on major league rosters who will train with the major league club and who were slated for close inspections.

Listed from the Yankees were infielders Tony Kubek and Milton Graff and outfielder John Bella. The White Sox had pitchers Barry Latman and Glenn Rosenbaum and outfielder Dick Dittus in the lineup. Cleveland grabbed the other two spots with outfielder Roger Maris and infielder Larry Raines.

## Lay Off Golf, Stengle Tells Mickey Mantle

NEW YORK. — A fretful Casey Stengel, obviously worried over Mickey Mantle's swollen knee, advised his star slugger to "lay off golf" today because "he certainly ought to know which sport gives him his bread and butter."

Stengel's anxiety mounted by degrees at St. Petersburg, Fla., when he learned Mantle's right knee was bothering him so that he had to use an electric cart to go around the course while participating in the annual Baseball Players' Golf Tournament at Miami, Fla.

From Miami, Mantle admitted over the phone that his knee was swollen but he insisted it was nothing serious. "It didn't interfere with my golf swing and I'm sure I'll be perfectly okay by the time spring training opens," he added.

## Williams Leading Field in Texas

SAN ANTONIO, Tex. — A tightly-packed field teed off in the third round of the \$20,000 Texas Open Golf Tournament today with Henry Williams Jr. of Reading, Pa., carrying a one-stroke lead with an eight-under-par 134.

Williams pulled out one stroke ahead of Billy Maxwell of Odessa, Tex., John Palmer of Tulsa, Okla., and Jimmy Demaret of Kiamisha Lake, N.Y., by firing his second straight 67 Friday.

Three other players were only two strokes off Williams' pace. They were Ed Furgol of St. Andrews, Ill.; Arnold Palmer of Latrobe, Pa., and Cary Middlecoff of Dallas.

### Real Estate for Sale 35

SAM SEZ:  
"THE DESERT REALTY CO. believes in deeds, not words—so we hasten to direct your attention to the following good buys."

1. The best hotel or movie colony in this valley. I own it, so this is one time you can't go around a broker. It is a 10 acre plateau with mountains on three sides, and an open view over the desert and the high mountains. All utilities are available. A road ends on it with a small cottage now there. Location—Palm Springs Heights—10 minutes from Palm Springs. Perfect privacy and quiet. Horse trail to Palm Canyon 3 1/2 miles distance. Elevation 750 feet. Never any valley dust storms. Warmer at night than below. Subdivisions below selling \$8000 to \$10,000 per acre, and highly restricted. Architects have over this site. 40 acres in all. Will lease for 50 years for \$6000 per year. Rights to sublease homesites for 50 years will more than return you your lease money. A hotel here could tunnel into the mountain and have its own atomic bomb shelter, and if they bomb March Field and they will, the fallout will reach us. Have also 120 acres joining this I might subordinate to right parties. Remember there is no view equal to this view. I've been here for 26 years and have roamed all over these hills. This is it. A showing will convince you. The big movie stars are coming down the valley. There is a reason. Future big enterprises are coming down this way. Learn why. \$4000 commission to broker swinging this deal. Courtesy to all brokers.

2. Tommy Barker Cafe (No. 2) on 99 Highway, one mile west of Indio in luxury motel area. Big income. Investigate. \$68,500, cash to loan of \$35,000. We have exclusive on this.

3. One section of mountain subdivision land on Highway 74 to Idyllwild. All year elevation. \$30,000.

4. Make offer on each of two whole sections of grazing and pine land in upper Palm Canyon, reached from Pinion Flats area and Rt. 74.

5. 40 acres, flat, been cultivated, 300 ft. well, also canal water, on paved street, adjacent to Thermal Airport which will soon have an airplane plant. Only \$16,000 now. Can go to \$120,000. Two old houses on this property. Can be leased out for crops, while you wait. Why are big industrial promoters buying up at this airbase with its railroad spur and warehouses?

6. \$300 per acre. 40 acres, level, water, Jefferson Street area. Suitable for crops or subdivision.

7. 5 acres near Tamarisk. \$2500 acre.  
8. Large highway frontage near Brea Mar.  
9. Lovely view homes. \$15,000 to \$22,500.  
10. Don't miss this one. 6 big R-3 lots in 2 1/2 acre parcel, street, utilities, next to White Sands Subdivision. Panoramic view. Country atmosphere. Only \$10,000. \$6000 down. Smaller R-1 lots nearby selling for more than this. (for 6).

## San Francisco Sees Flying Discs

SAN FRANCISCO — Four underground explosions, apparently caused by leaking gas, sent four manhole covers flying through the air and shook the South of Market area shortly after 7 a.m. today.

Three of the four covers were shattered and the concussion broke a plate glass window in the National Envelope Corp. building at the corner of Eighth and Folsom. No one was hurt.

STARTING SUNDAY at the Sunair Drive-in Theater is "Silent World," a picture photographed entirely under water by an actual expedition into the depths of the Atlantic Ocean. The picture was directed and produced by Jacques Cousteau, who was a recent visitor in Palm Springs, and who was the subject of a feature in the Desert Sun. Co-featured is "Teenage Rebel," starring Ginger Rogers and Michael Rennie.
